### Violet City Trading Company (VCTC)

#### SEND FRIEND REQUESTS OR WE CANNOT TRADE WITH YOU

Orders that are pending for over 24 hours, only because you did not send Friend Requests, will be cancelled.

**Flat Trade:** Your Payment for your order, for Any Accelgor or Salamence Card

-Any order can be cancelled at any time, at LordKieta's concern-

-Sold Out Cards, marked with ^, now have Quantities beside them that can be ordered, one at a time, at \*\* rate. Sold Out cards can only be bought with Roaring Skies at a set rate of 1 value. You do not get Shelmet Points from the value of Sold Out cards. **Sold Out Cards cannot be promised and any order for them can be cancelled at any time.-**

#### Important Things To Know

-Please ONLY Accept Orders From My Staff!

-If you accept an order from someone who isn't on my staff, you do not get Shelmet Points for your order-

-You may only order up to 4 of a card at a time. You never need more than 4 copies of something. The exceptions are Shelmets, Shelgons, and Basic Energy-

-You may only have one order up at a time! You can make a new order right away, after your current order is complete!-

-Cards may not be ordered with the intent of selling back for profit. However, I don't really care that much, and as long as you don't make it obvious you're planning on selling back for more, your order will still be completed-

**-Members of other trading companies that order here, may use my prices. Sometimes, although rarely, LordKieta may make you pay your own prices on certain cards. Only LordKieta can enforce this though-**

---

**Owner: LordKieta**

**Head Traders: Tarif15 - awesome\_guy - dziesmer - Eidaam**

## Violet City Trade-In's

(Beta 0.0.1)

**Trade-In's are finally accepted at Violet City! A Trade-In is when you use a card in your collection, instead of packs, to pay for your order. Obviously you won't be able to get full value for them though, so keep that in mind.** (This list was rushed, because I've been very busy. Prices may seem awful right now, but they'll be updated to be more fair in the future when I am less busy. Thank you for understanding)

### Rules:

- You can only trade-in up to 1 card at once.
- However, any cards with a Trade-in Value of less than 1 (0.25, 0.5, 0.75) have no limit, and

do not count towards your limit of 1 trade-in per order.

Foils/Non-Foils do not matter for Trade-in's. A Reverse Foil and a Regular Non-Foil are worth the same.

- You cannot trade-in cards for packs. We do not sell packs here.
- You cannot use trade-in's to pay for \* or \*\* marked cards. This will be changed in the future.
- All cards traded-in count as pack value, and will still go towards Shelmet Points

## Shelgon Crate Mystery Bonus

**With every Shelgon Crate you order, you can include one Pokemon of any artwork with your Shelgon (and any additional payment from other promotions) to receive an extra prize. A special prize has been assigned to every Pokemon and their National Dex Number, but each prize can only be won once. The list of numbers below are the prizes that are still available.**

**Example: Shelgons National Dex Number is 372. So when Shelgon is sent, prize 372 will no longer be available. As an addition to your usual prizes, you will win an extra prize that matches Shelgons number synced with my Probability Generator. Shelgons prize is 3 BreakThrough packs. Unfortunately though, Shelgon cannot be chosen for this prize.**

**Disclaimer: Any Artwork will do. A Victini EX and a Victini Non-EX will give the same prize.**

**Disclaimer 2: Every prize will only be given out once. You can only send a Pokemon whose number is still on the chart below. Any Pokemon selected at the same time, are the only ones that can be duplicates.**

**Disclaimer 3: You can win "Nothing" from some Pokemon.**

### New Rules for Shelgon Crates Effective Immediately!

**1. If you send a Pokemon for the Mystery Bonus, and that Pokemon has already been used, your Crate will still be completed without that Pokemon, and you will not get to redeem a new Pokemon for the Mystery Bonus for those 2 Points.**

**Example. You send a Shelgon Crate for Shelgon and Bulbasaur. Bulbasaur is already taken, so you'll have your crate redeemed without the Bulbasaur or it's Ticket Prize. You will not get to choose a new Pokemon. Your Points will be spent.**

**2. If there is a promotion up, that allows you to put up more than one Pokemon for the Mystery Bonus, but you do not follow the rules to adding a second one, a random one will be chosen for you and the crate will be rolled anyway. If any of the Pokemon you chose have already been used, your crate will be rolled regardless.**

If me writing these rules, there is a promotion up where you can add 1 Roaring Skies pack to your Shelgon Crate Request to be allowed to use 2 Pokemon instead of 1 for the Mystery Bonus.

**Example 1:** You send a Shelgon Crate for two unredeemed Pokemon but no Roaring Skies pack. I will choose one of the Unredeemed Pokemon at random and roll the crate. You will not get to choose a second Pokemon for that crate, even if you then provide a Roaring Skies pack. Your points will be spent

**Example 2:** You send a Shelgon Crate for Bulbasaur and another unredeemed Pokemon, and a Roaring Skies pack. Your Roaring Skies pack will be removed, along with the Bulbasaur, and the crate will be rolled. Your points will be spent.

These new procedures are effective immediately. They are to keep Shelgon Crates running smoothly. Every time a user includes a Pokemon that is already redeemed, or doesn't use the promotion correctly, it slows me down horribly. Thank you all for understanding.

## SHELMET POINTS! SPECIAL PROMOTION OFFERED BY LORDKIETA OF VIOLET CITY TRADING COMPANY

### What are Shelmet Points?

**Shelmet Points** are a special currency that you earn from Violet City when placing an order of 10 value or more. There are also varying promotions from time to time that increase the amount of Shelmet Points you get from certain orders.

### What can they be spent on?

Shelmet Points can be used to request Shelmet Crates, Shelgon Crates, or the newly introduced Shellder Crates. Shelmet Crates cost 1 Point. Shelgon Crates cost 2 Points, and Shellder Crates cost 1 Point.

**Disclaimer:** If your Shelmet Crate or Shelgon Crate expires, or you reject it, it's gone forever.

### Shelmet Crates

Shelmet Crates cost 1 Point. They cost 1 Shelmet Point, and 1 Shelmet Card. Shelmet Crates always have One Prize, but each and every prize have the exact same rarity. You have the same chance of winning a Full Art Mewtwo EX, as you do winning a Meloetta EX.

To redeem a Shelmet Crate, Please do BOTH of the following.

1. Send LordKieta a Flat Trade; One of your Shelmet Cards, for his Accelgor or Salamence.

**2. Make a post in Violet City saying you want to redeem a Shelmet Crate.**  
**Your Crate Request will be completed when it is most convenient for LordKieta.**

Not really, but I got a little trigger happy setting up the initial thread, but I mean, it's always nice to have extra space. Thank you nonetheless.

Violet City is now reopen for business. Although the hiatus was less than 12 hours long, we are now under new management (thats me). I have taken the liberty of changing some prices, and I will gradually be changing some more over time. I have removed HGSS era cards for the time being, they will return soon. I have also added a new Promotion System. Check it out on a regular basis to see what we have to offer! Thank you to all our previous customers and regulars from the old thread, and thank you to everyone who may order from us in the future. Violet City is happy to see you. 😊

For my last order of Jumpluff and Ambipom I only got 2 Ambipom but ordered 4. I already accepted the offer with the correct payment for 4, so if you could get them to me that would be great. Thanks

And also can i get 1 reg. Shaymin EX RS (8 for promo). I'd like to pay with 5 PhF(Promotional value) and 3 RS. I really like your promotion ideas, thanks!

That's odd, but I double checked my trade and you're right. Must've forgot them on accident. They are sent with your Shaymin order. Speaking of which, thank you for ordering from Violet City, and thank you for being my first customer since I gained ownership. I'm glad you like the new Promotion system 😊

I'd like to order 1 Shaymin EX reg art and would like to trade in the 1-1 latios line for the 4 value, and pay an extra 4 rs packs 😊

09 July 2015 - 04:17 AM

I'd like to order one Shaymin RS and I'm paying with 8 blast packs. Thanks.
